Anti-Racism Election Protocol 2014

Preamble:

The Anti Racism Election Protocol has played an important role since 2001 in ensuring that elections have been conducted in such a way that they do not incite hatred or prejudice on the grounds of 'race', colour, nationality or ethnic or national origin, religious belief and membership of the Traveller Community. Political parties that have previously endorsed the Protocol include:

Fianna Fáil, Fine Gael, the Green Party, the Labour Party, Sinn Féin, the Socialist Party, the Workers' Party, Libertas, and People before Profit.

The European Network Against Racism (ENAR) Ireland is inviting political representatives to demonstrate and renew their commitment to anti-racism by signing this updated declaration as an indication of their support and endorsement of the Protocol.

Declaration of Intent by political parties

We as a political party in the 2014 local and European elections agree:

- To send a consistent and clear message to my constituents that I reject racism and all forms of discrimination and hate speech.
- To condemn any campaign materials or statements that may incite hatred or express prejudice on the grounds of 'race', colour, nationality or origin, ethnic background, religious belief, or membership of the Traveller Community.
- To guarantee that when engaging in on-going debate in relation to groups which are the potential targets of racism, including asylum seekers, refugees, migrants, people of African or Asian origin, people of Jewish faith, Muslims, Roma and Travellers, my contribution to such debate is conducted in a responsible way and with respect for the dignity and rights of all members of the human race.
- To use appropriate and inclusive language and words when referring to people of different ethnic and religious backgrounds, in order to avoid stereotyping, prejudice or confusion.
- To endeavour to use images in my election material that reflect the diversity of our society.
- To inform all of my political campaigners about the intent and contents of this Protocol.
- To inform my constituents that I have signed up to this Protocol and endorse the No Hate Speech Movement.
